REQUEST FOR REFUND DUE TO PAYMENT MADE IN ERROR

Sir:

An issue fee payment of \$1400 was electronically filed and submitted to the U.S. Patent Office on September 5, 2007. A Petition for Withdrawal from Issue was electronically filed and submitted on October 25, 2007. The Petition for Withdrawal from Issue was granted and the Decision indicated that the prior issue fee payment could be applied towards a new Notice of

Refuel of Allowance was issued on June like 1988 and the issue fee preyment

91 FC:1591 1409.09 CR
of \$1440 was electronically submitted on September 12, 2008. Since the prior issue fee payment Credit Card Refund Total: \$300.00 of \$1400 should have been applied towards the second issue fee amount of \$1440, it is believed that the amount owed with the submission of September 12, 2008 was only \$4000 (the amount of

\$1440 listed as due in the 06/13/08 Notice of Allowance minus the \$1400 previously paid on September 5, 2007 = \$40).

The overpayment of the second issue fee was due to a clerical error. Applicant hereby requests that the excess amount of \$1400 paid to the U.S. Patent Office on September 12, 2008 in error be refunded to Deposit Account No. 030172, order number 27475/05432.

Respectfully submitted,

Date: 10 21/09
